POWERFUL INNOVATION WITH REAL RESULTS

35 Year-Old Female. Daily Hair Growth Gummies

62 Year-Old Female. Daily Use Hair Growth Gummies + FR Concentrate

A synergistic duo to combat hair stress inside & out

HAIR GROWTH GUMMIES

Addresses hair stress from within, nourishing the follicle and promoting stronger, healthier hair.

- No megadosing for optimal safety & efficacy.
- Gummies have proven bioequivalence to capsules & tablets.
- 2 out of 3 consumers prefer gummies over capsules.*

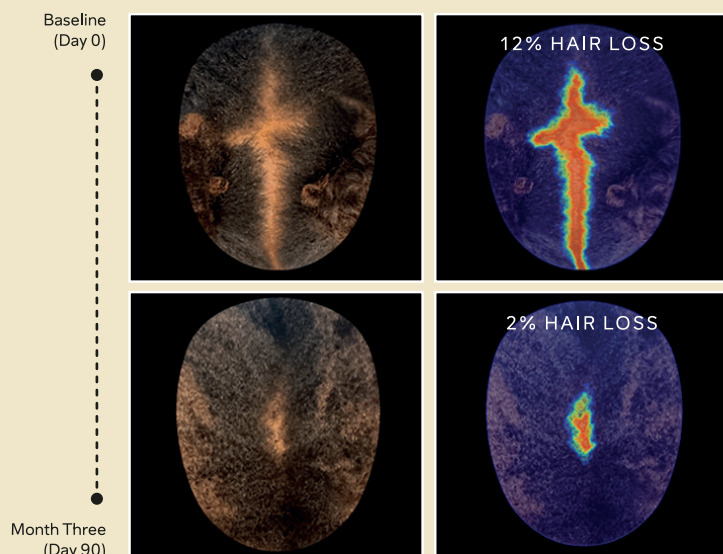

FR CONCENTRATE SERUM

Repairs cells critical to follicle and scalp health to support healthy hair growth.

- Proven oligopeptide blend protects scalp and penetrates epidermis.
- Scientifically optimized to signal and activate follicles.
- Lightweight, non-acidic formulation for daily use on wet or dry hair.

All products are manufactured in accredited cGMP/NSF facilities and 3rd party tested for purity and consistency.

39 Year-Old Female. Daily Use Xtresse Gummies + FR Concentrate

REAL RESULTS WITH HAIR GROWTH GUMMIES + FR CONCENTRATE**
